★ DENTAL SCREENING PROGRAM ★

The following services are provided by the Hopi Health Care Center Dental Staff.

- * **Dental Screening**
- * **Fluoride**
- * **Oral Health Education**

Many students are not seen at HHCC until there are problems that could have been prevented. The HHCC dental program is reaching out to students by bringing dental services to your schools. The basic goal of this program is to provide a screening which can help to identify Potential Dental problems and encourage you to schedule with a appointment for a full dental check up.

Feel free to contact the Dental Clinic at 928-737-6162 or 6163, if you have any questions or concerns regarding this program or your child's oral health.

**PLEASE RETURN ATTACHED PERMISSION SLIP TO YOUR CHILD'S SCHOOL.
Thank you!**
